MOOD MEDIA SOUND SYSTEMS

WORKING WITH YOU TO CREATE THE PERFECT SOUND SYSTEM

We can give you access to the world's best audio, visual and scent equipment from leading manufacturers and suppliers such as Bose and Majorcom. From conception to completion, Mood Media will work with you to create a system that is right for your business. Our experienced design teams manage every type of project from foreground retail solutions to a complete distribution centre public address system. We also cater for solutions requiring audio and visual equipment, lighting, induction loops, voice alarm set up and Cardio Theater systems.

Systems and products include:

- audio equipment
- visual equipment
- lighting
- public address
- induction loop
- voice alarm
- Cardio Theater

Quick installation, thorough maintenance and reliable support

No matter how complex the specification or how big the installation; Mood Media has the support network to make it happen and to ensure that the best system is always operational in your business.

Strong international relations

Mood Media has the capability to develop and nurture consistent partnerships and relationships strategically throughout the world, no matter what the industry sector.
